Trinity College Dublin, Dublin
2026

- Bachelor's in Computer Science with Linguistics and Language (Spanish).

- Focused on Advanced AI & NLP technologies.

- Proficient in Java and Python programming languages.

- Attained B2 Level in Spanish as per the Common European Framework of Reference for Languages.

UNDERGRADUATE

Universidad Complutense De Madrid, Madrid
2026

Erasmus Student (Full Year)

● ABOUT ME

I am a dynamic Food and Beverage expert and seasoned Bartender, boasting over three years of experience at the prestigious 5-star Shelbourne Hotel.

My proficiency in Spanish complements my tech-savvy nature, as I am well-versed in Python, Java, and adept at using Git/Github. I am keen to contribute to your esteemed team by combining traditional hospitality with modern efficiency.

My solid background in software engineering methodologies is underpinned by an undergraduate degree in Computer Science, Linguistics, and Language, obtained from the renowned Trinity College Dublin and Universidad Complutense de Madrid in 2026.

● WORK EXPERIENCE

F/B EXPERT AND BARTENDER
Shelbourne Hotel, Dublin
